Please note that if your permit application is approved, your permit is valid for 12 months and becomes effective on the earlier: the date the application is processed, or the date the Police Department responded to the first false alarm. Renewal notices are sent however; it is the responsibility of the permit holder to ensure that the permit is renewed if a notice is not received. Cancellation of a permit must be made in writing. A cancellation form can be downloaded from: <https://apdalarm.austintexas.gov>

I have read the completed application and know the same is true and correct and hereby agree that if a permit is issued, I will comply with all provisions of the City Code, Title 4, Chapter 4-2, and applicable State laws. I accept responsibility of payment for all fees and fines that may result from the operation of the alarm serving the above alarm site address.
